

Community Engagement Framework

Neighborhood Representatives Representatives

Volunteers serve as local contacts,
linking households and leadership.

Youth Engagement

Focus on teens and young families
for long-term vitality.

Community Partnerships

Collaborate with schools and
sports programs to deepen ties.

Proposed Comprehensive Community Engagement and Volunteer Coordination Plan

Quarterly hybrid meetings and Slido surveys are proposed to ensure broad participation and feedback from all homeowners.

Structured Participation

- The plan proposes formalizing volunteer systems for shared responsibility
- The strategy suggests reducing operational costs through efficient workflows
- The aim is to build ownership and commitment among members

Recognition Programs

- Implementing programs to encourage long-term participation is recommended
- Celebrating key contributors and milestones is suggested
- This will boost overall member engagement and morale
